80-89: 4 (2.8%)

90-99: 0 (0%)

HOW WE ARE SEEING COVID-19 SPREAD

In the days prior to individuals becoming sick or while experiencing symptoms, individuals reported attending:

- Family gatherings
- Social gatherings
- **Gatherings where people are not social distancing and not wearing masks**

We continue to see spread between positive cases and other people living in the household/living unit.

Currently, there are 19 active public health investigations.
